Principal’s Message

Looking at our calendar we have another busy week ahead, with Day 1 or our Kindergarten Transition program commencing tomorrow. “Snake Tails” Australian Reptile Display on Wednesday, with Dalgety Public School joining us for this display and then our Stage 3 students will be attending the Cooba Camp this Thursday and Friday.

Thank you to Leonie for organising and running this year’s book fair and to all families who came along and supported the fair this year. The school made $147.00 to spend on new books for our library. Well done!

From all accounts a great day was had by all in Early Stage One. Thank you to Mrs Baff for putting together such a great excursion.

Last Tuesday we had a very informative Parent Information Session for our 2015 Kindergarten students. Thank you to all our presenters and to our wonderful P&C for the lovely morning tea.

Library News

A big thankyou to everyone who supported our recent Book fair, it was another successful event.

Book Fair earned $147 for new books for the library!

Stage 3 – Tree planting

Tomorrow Stage 3 will be taking part in the planting of 10 poplar trees on the outskirts of Berridale along with Snowy River Shire Council and members of the community. Over recent years Berridale Public School students have planted trees along the creek, planted shrubs in the beautification of the centre of Berridale and will now be involved in the Poplar Project.

The beauty of this town and its surrounding is a tribute to the many generations who have live here. I trust this tradition will continue for many decades to come.

SPORT

This Friday all students will be participating in one of two MILO cricket workshops with Ben Hearn. These will take place across the road on the oval. Students will be accompanied by their Teachers.
