Principal’s Message

What a success! Our Whole School Musical was such a fabulous experience for our students last week and I hope that all the family and community members that joined for either or both performances enjoyed the talent and enthusiasm of our students. Once again I would like to thank everyone for their efforts to support these performances but particularly Mrs Milliken and Mrs Wall … this mammoth undertaking would not be possible without your enthusiasm and tireless dedication. There were also several families that remained after the evening performance to help pack up the Hall and stack away the chairs. We certainly appreciated their efforts to bring a huge day to a positive end. A reminder that all photo orders need to be made to the Front Office as soon as possible and thank you to the P&C for arranging the quality photography of our students in their fabulous costumes.

Thank you to those families that have contributed small toys and books for a donation to children in Indonesia. The box of items will be collected from the Front Office on Friday 15 August, so there is still time to add your donation. Please remember that the items must be small for packaging and travelling purposes.

Interschool’s Snow sport Races were held last week and although the weather conditions were not ideal, our students have once again enjoyed representing our school at another sporting event. Check out the great photo of one of our talented Snow sports team! Thank you to those family members that supported Mrs Baff and our students during their time on the mountain.

A reminder that the next P&C meeting is scheduled for today, Monday 4 August at 3.30pm in the Library. Please come along and support this important group in our school.

Our Berridale PS Snow sports Program will be happening in Thredbo from Monday 4 – Thursday 7 August. Those students remaining at school will be
participating in a range of activities coordinated by Mrs Milliken. Thank you to Mrs Baff and Mrs Milliken for their organisation of these two events.

The Permission Note for the Monaro Small Schools Fun Day at Dalgety Public School was distributed to families with last week’s newsletter. This Fun Day is scheduled for Wednesday 13 August and this is a whole school event. Please complete that form and return it with the transport fee to the Front Office by Friday 8 August. Family and community members that would like to join us at Dalgety for the day would be more than welcome. Also, today attached is a Lunch Order form for the Fun Day, if you wish to order a meal please complete the attached form and return with payment to the school office by MONDAY 11TH August.
