Principal’s Message

Families would have received the letter last week notifying the community that I have been appointed to Pambula Public School, commencing in Term 1 of 2015. I have thoroughly enjoyed my time at Berridale Public School and will certainly be taking fond memories with me of students, staff and community.

Thank you to those families that have contributed small toys and books for a donation to children in Indonesia. The box of items will be collected from the Front Office at the end of this week on Friday 15 August, so there is still time to add your donation. Please remember that the items must be small for packaging and travelling purposes.

Thank you to everyone that joined us for the recent P&C meeting. This important group in our school meets on the first Monday of each month at 3.30pm in our Library. Please consider joining us for the next meeting in September.

A reminder, that the Monaro Small Schools Fun Day at Dalgety Public School is scheduled for this Wednesday 13 August. Families need to be aware that this is a whole school event and all students and staff will be attending Dalgety for the day. No classes will be operating at school on this day. Please return Permission Notes and the transport fee to the Front Office as soon as possible. Family and community members that would like to join us at Dalgety for the day would be more than welcome.

YOU'RE ON YOUR OWN. AND YOU KNOW WHAT YOU KNOW. AND YOU ARE THE ONE WHO'LL DECIDE WHERE TO GO.

~ DR. SEUSS

"You're on your own. And you know what you know. And you are the one who'll decide where to go."

It can sometimes be overwhelming to think that you're on your own in the world, but at the same time it gives you the freedom to choose your own path. You've amassed some knowledge at this point, and you are making decisions based on that knowledge. No one else will be able to make your decisions for you, no matter how much advice you get. You'll ultimately be the one that chooses where you'll end up.
