Dear Parents

What do bear walks, pencils, motor bikes and soldiers have in common? Everything - they are all basic stances that our students learnt on Friday during gym lessons. Lauren, the instructor from School Gymnastics, kept students on the go for the entire time. There were plenty of smiles all around!

After talking to all of our students during recess it was evident that they loved the lessons and were very pleased they would be happening all term. As Josie Holfter commented enthusiastically “This is real gym!”.

I hope to see you all on Tuesday for our Open Day, picnic lunch and kite flying!
