Dear Parents,

In nearly two decades of teaching I don’t think I have ever had such a delightful Open Day! There is much to be said about the simple joy of spending time with children flying kites. The sore arms, necks and smiling faces were testimony to this. Well done to Dylan Duffy who launched his kite so high! Thank you parents for coming to see our classrooms and taking the time to talk to teachers and staff. Many, many thanks go to parents and teachers who helped launch kites and UNITE VERY LARGE KNOTS. A special thanks to Cheyenne who went and got the scissors when we admitted defeat!

Enjoy your week,

Tracey Southam
Principal
