Dear Parents,

I am glad many of our students were able to participate in our Snow Sports last week. This was a wonderful opportunity for students and it required much organisation and time on behalf of Mrs Baff for it to all come together. Thank you Mrs Baff for your experience, knowledge and enthusiasm. Thank you also to parents who were able to attend on various days and give students that much needed assistance with boots, skis and belongings. The highlight of the week was hearing about all the adventures and that great big grin from Max O’Sullivan after his very first ever day of skiing. Enjoy your week,

Tracey Southam
Principal

Have you seen our pic.collage posters?
Last week in our anti-bullying lessons we took stock of what we have been learning all year. Students then made pic.collage posters on the iPads and have displayed them proudly about the school. We hope you enjoy them. This week we will focus on standing firm. This doesn’t mean we are passive or aggressive, it means we are learning to say what we think in a calm and confident way.

Book Week reminder
Monday 24th to Friday 29th August 2015. If you have a favourite children’s book we would love you to come along and share it with us. Forms were sent home last week or there are more available at the office if you would like to come along and read to the students in one of our classes. We would love to see you!

Earn and Learn
Our Woolworths Earn and Learn box is starting to look healthy. The more stickers we collect, the more items we are able to redeem for our school. Please keep dropping yours into our box. Thank you.

A BIG congratulation to all students who attended the Snow sports program on a terrific week! I was so proud to be associated with you all and took great pleasure in receiving many compliments on your beautiful behaviour and fun attitude. We certainly were very lucky to have such amazing snow, sunshine and fantastic instructors. On that note I’d like to thank all of our wonderful Thredboland Instructors for snowing us a great time. Personally, I enjoyed seeing our kids mix so well with students from Dalgety and Nimmitabel like one big happy family. On the whole, our 2015 Snow sports program was hugely successful. Petrina
