Dear Parents,

This week we see Lani and Charlotte off to compete at the Regional Athletics Carnival in Canberra. Lani for discus and Charlotte for high jump. Good luck girls! Enjoy the competition, have a good time, cheer each other on and do your best!

Enjoy your week.

Tracey Southam
Principal

Parents and guests can now sit at the other end of the canteen so people will be able to sneak in if they are late, without feeling like they are interrupting the assembly.

HOW2Learn
This week Mrs Baff and Mr McMahon will be at professional training and development, learning about the second phase of Higher Order Ways to learn (HOW2Learn). Many of these great teaching techniques will be implemented within individual classes and across the school.

Don’t let fights create enemies
We all have arguments and disagreements now and then, but it doesn’t mean the end of a friendship or being enemies. This week in our anti-bullying lessons students will be learning how to deal with an argument without blaming, insulting or shaming one another. Sometimes an argument can be resolved when it occurs, at other times people can avoid hurting each other too much by going away, calming down and resolving it at a later date.

Assemblies
There will be a few changes to our fortnightly assemblies. Children will now sit facing the canteen end as there is access to the PowerPoint for Student Leaders to play the National Anthem.
