Our Vision

Berridale Public School is committed to promoting equity and excellence.

We are successful learners, confident and creative individuals, and active, informed citizens.

Through a culture focused on Building Learning Power we create environments that promote the learning dispositions ...

- **Resilience**: The emotional aspect of learning
- **Resourcefulness**: The thinking aspect of learning
- **Reciprocity**: The social aspect of learning
- **Reflectiveness**: The strategic aspect of learning
- **Responsibility**: The community aspect of learning
